General Filing Guidelines and Requirements for All L&H filings

- * **Checklists**
 - For details about how your filing relates to Missouri Statutes and Regulations, please review the form filing checklists located on our web site at <http://www.insurance.mo.gov/industry/filings/checklists/index.htm>.
- * **Form Numbers**
 - Form numbers must be listed on the SERFF Form Schedule exactly as they are shown on the lower left hand corner of the face page of the form.
 - Form numbers cannot be reused. If we discover that you have filed a form with a number that has been used, we will ask you to revise the number or the filing will be rejected.
 - Only one attachment per form number is permitted.
- * **Length/Size of submission:**
 - The Life & Healthcare Section will give priority to filings consisting of less than the lesser of two hundred fifty (250) pages or twenty five (25) forms.
- * **Amendments and riders:**
 - Amendments must amend policies, and not other amendments or riders. Riders must apply to policies, and not to amendments or other riders.
 - Amendments and riders will only be approved for use with the specific policies identified by the company.
 1. If previously approved, the policy which will be affected by the amendment or rider must be identified by SERFF tracking number. If there is no SERFF tracking number, the previously approved policy and stamped approved TD-1 must be attached to the filing as supporting documentation. Any applicable amendment that affects the terms and conditions of the policy must also be similarly identified.
 2. If no policy has been previously approved, then the affected policy must be submitted for approval with the amendment or rider.
- * **Extension requests:**
 - If you receive a Follow Up Notice (15-Day follow-up notice) and you need more time than the notice allows, then you must request an extension of time by contacting the DIFP Analyst reviewing the filing.
- * **Previously Approved Forms:**
 - If you submit forms that have been previously approved, please place them on the Supporting Documentation tab of SERFF.

MISSOURI FILING GUIDELINES

*** Approved vs. Filed:**

- If you aren't sure which tab to attach a form to in SERFF and you don't see your form listed in these Filing Guidelines, **CONTACT THE L&H SECTION AT 573-751-4363.**

General Filing Guidelines and Requirements for All L&H filings (cont'd)

*** Variable text:**

- The following items may be filed as variable:
 1. eligibility requirements,
 2. benefit amounts and
 3. time or waiting periods
- For other text of the policy form, we may object to variability, but the following guidelines apply:
 1. No policy form will be approved for which the assigned reviewer is not reasonably comfortable that all variables are understandable and manageable.
 2. Carriers are asked supply the number of total policy forms that can be generated based on the variable text in a policy form filing (excluding variability stemming from cost-sharing ranges). If the carrier indicates that the total number of possible policies cannot be calculated, then DIFP will reject the policy form filing.

*** Insert pages are not accepted in Missouri.**

*** Matrix filings are not accepted in Missouri.**

*** Multi-Line forms are not accepted in Missouri.**

*** Substitution requests will not be fulfilled.**

- Once a file is closed, it will not be reopened. Changes or edits to previously Approved or Filed form filings will need to be submitted as a new filing with new form numbers.

*** Blanket health insurance coverage is not accepted as a Type of Insurance in Missouri.**

- Effective 6-1-10, the two "TOI" codes related to blanket health insurance coverage, H04.000 (Blanket Accident/Sickness) and H04.001 (Student), are de-activated in SERFF. Filers using either of these codes should instead use any of the other applicable codes (around 75 to choose from) that describes the type of coverage being issued.
- Effective 6-1-10, DIFP will reject filings where "Group Market Type" indicates "Blanket". Filers should review the seven types of groups listed in Missouri law at section 376.421, RSMo, subsection 1. If the group is not one of these seven types, then the filer should indicate that the Group Market Type is "discretionary" and submit the affidavit for discretionary groups in 20 CSR 400-2.060.

- If file contains both 1990 and 2010, use TOI code MS08 (MS07 for Select plans)
- Attach BOTH a pdf and an excel version of the Medicare Supplement rate data collection document.

*** Long Term Care**
